

Germs are making trips we never thought possible.

Security? Customs? Immigration?

Infectious diseases do not respect borders. Can you prevent their departure and are you prepared for their inevitable arrival? Learn how to keep germs grounded with *Accelerated Hydrogen Peroxide*[®] – *AHP*[®].

 DEPARTURES		
Germ	Date	Destination
SARS	20:03	TORONTO
MERS	20:12	CHICAGO
EBOLAVIRUS	20:14	DALLAS
