

**Virox Technologies Inc.  
Selected as a Regional Finalist in  
Canada's 50 Best Managed  
Companies Program for 2007**

*“Best Managed companies exhibit a number of common attributes that have helped them create sustained growth. These attributes can be evenly classified among the three vital building blocks to sustainable growth: strategy, capability, and commitment.” – Deloitte & Touche LLP and affiliated entities*

Hundreds of Canadian entrepreneurial companies compete each year for the designation of Canada's 50 Best Managed Companies through a rigorous evaluation of management skills & practices. Virox Technologies Inc. has been recognized as a Regional Finalist for 2007 as being an innovative industry leader committed to expanding its business through the application of our patented Accelerated Hydrogen Peroxide® technology to new global markets, new applications, new industries, and new, proprietary product concepts.

*Engineering Revolutionary  
Disinfectants for the  
War Against Microbes*
